About the product

Elegant and highly decorative bar cabinet with the 60's retro modern spirit. With a lot of luxurious details and enough space to rack your favorite wines, liquors and glasses. The top part of the cabinet is perfect for serving your drinks right in the scene.

Gianni has two options regarding materials. Walnut or oak veneered MDF, or the lux version made completely in solid wood walnut, ash or oak. The surface is oiled with the high quality products from OSMO, owning a food safe certificate. Water repellent, stain resistant with very pleasant and natural feeling when touched.
