Netto

LOW TABLE

rinocca.com

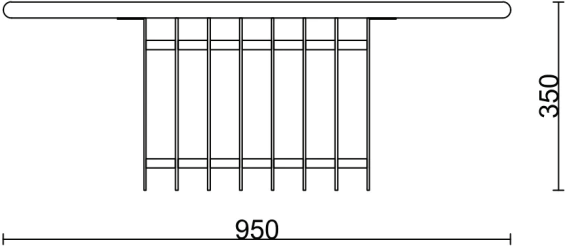

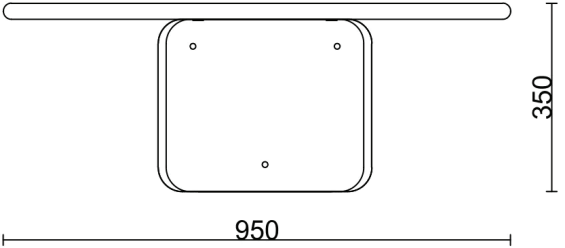

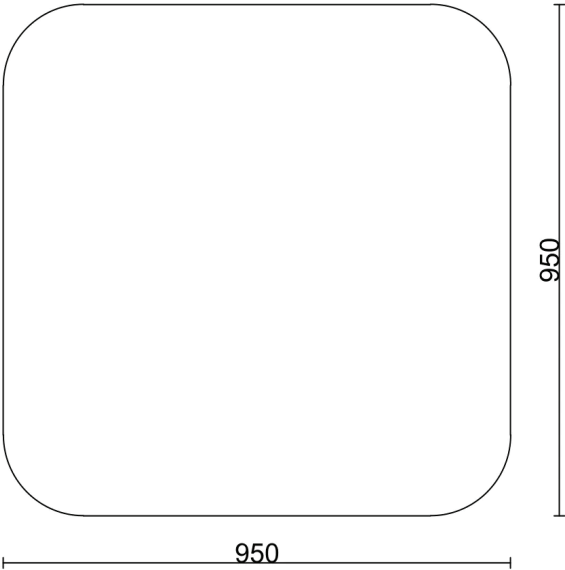

About the product

Netto is a bit art deco inspired. Several materials fused into one remarkable piece of furniture that will give authenticity to every space.

The sculptural base is made of steel and acrylic glass parts, it is the contrast in these two materials that visually make the base look bold and light at the same time. The top is made 100% in solid wood. It can be walnut, oak or ash wood. The rounded edges, gives the table a softer look.

• **DIMENSIONS**

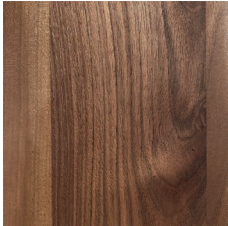

95 x 95 x 35
120 x 120 x 35

Product Materials

- **WOOD**

(different colour available on demand)
